

# EXCURSION/INCURSION/EXTRA-CURRICULAR ACTIVITIES POLICY

Under the Education and Care Services National Regulations the approved provider must ensure policies and procedures are in place for managing excursions (Reg. 168) and take reasonable steps to ensure policies and procedures are followed.

Excursions/incursions/extra-curricular activities enhance children's learning by providing them the opportunity to participate in curriculum planned activities and experiences to extend on their skills and knowledge in the current interest topic. Our OSHC Service recognises that excursions provide opportunities for children to explore the wider community as a group and extend on the educational program provided.

## PURPOSE

To ensure that all excursions and incursions undertaken by the Outside School Hours Care Service are

planned and conducted in a safe manner, maintaining children’s health, safety and wellbeing at all times in accordance with Education and Care National Regulations. We believe excursions/incursions provide the children with the opportunity to expand and enhance their skills and knowledge gaining insight into their local and the wider community. We are committed to complying with all relevant regulations to support the planning, authorisation, supervision and risk management of all excursions and incursions. This includes ensuring the safe use of digital technologies and online environments during excursions and incursions, in line with our policies to protect children’s privacy, safety and wellbeing.

## SCOPE

This policy applies to children, families, educators, staff, management, approved provider, nominated supervisor, students, volunteers and visitors of the OSHC Service.

## IMPLEMENTATION

Excursions and incursions will be conducted with the children’s safety and wellbeing in mind at all times. We may regularly schedule incursions and visitors to our OSHC Service however, if we feel an excursion will benefit the children and offer a valuable experience, we will adhere to the National Regulations and Service policies and procedures to plan and manage an experience that is enjoyable for children. This policy relates to excursions that may be a ‘regular outing’ or a one-off excursion for a particular purpose and incursions, where visiting performers, groups or community services may visit our OSHC Service.

Children who are enrolled in our OSHC Service may participate in extra-curricular activities that are organised separately from our OSHC. Our OSHC will support children to participate in extra-curricular activities located within recreation centre grounds.

## DEFINITIONS (Effective 1 October 2020)

- (b) the child or children do not leave the school site.

**Extra-Curricular Activities:** means an activity organised separately from the OSHC Service that children may attend during OSHC operating hours. Examples include music lessons, dance class, choir lessons.

- (b) where the circumstances relevant to the risk assessment are *substantially* the same on each.

**Incursion:** means an activity organised by our Service, whereby an outside body is employed or engaged to visit the service to run an educational program and to promote culture and diversity. This could include a visit from the Rural Fire Service, an Aboriginal Cultural awareness group, science or reptile show or a musical or drama performance. Some incursions may be offered free of charge whilst others may incur a small participation cost.

## CONSIDERATIONS FOR EXCURSIONS AND INCURSIONS

The purpose of the excursion should be clearly identified by staff providing information on how the excursion or incursion supports the educational program and contributes to the outcomes for children.
